

EVANGEL CHURCH

OUR MISSION:

A loving community of Spirit-filled followers of Jesus Christ who share a passion to make Christ known in our city and around the world.

Evangel Church is people.

People growing together in their relationship with God and with one another. It is our desire to discover and respond to your particular needs and interests by providing a caring environment where you can grow in your spiritual life. Our Small Groups are the primary care ministry at Evangel and we strongly encourage all who attend to join a Small Group as soon as possible.

There are two ways in which people may choose to identify with Evangel. This brochure includes an application for non-voting constituent status only.

Return this completed form to the church office or:

1. Mail to the address below
2. Drop it in the offering basket
3. Drop it off at the Hospitality Center in the foyer

1. CONSTITUENT HOUSEHOLD

This is an informal declaration by a household (family or single) that Evangel is their church home. There is no formal application or association but there are many practical benefits of non-voting constituent status.

No statement of personal belief or commitment is required, but we encourage the adult members to consider membership.

Becoming a non-voting constituent household is simply a statement that Evangel is the church you and your family attend.

2. PERSONAL MEMBERSHIP

We encourage individuals to consider membership as a statement of personal commitment to Jesus Christ and His work through this church.

Please call the church office to request membership information or pick up one of our brochures on Church Membership in the Hospitality Center.

It is our desire to discover and respond to your particular needs and interests and provide you with a caring environment where you can grow in your spiritual life.

Please feel free to call the church office with any questions you may have or to arrange a meeting with a church staff member.
