## *You Matter to God*

Seeking and knowing God can seem difficult in the midst of a broken world. This church exists to help you discover a life-changing relationship with Him. We hope you will benefit from the various programs and ministries here at Evangel. All of them are based on these five priorities ...

**Worship**—Having received God's forgiveness through His Son, Jesus Christ, we worship Him individually as believers and collectively as a church family.

**Outreach**—We want to tell as many people as possible about God's plan for salvation and the fulfilling life He desires for His followers.

**Encouragement**—We desire to reflect the love and compassion of God toward others, and provide a caring environment for friendship and fellowship through small groups.

**Learning**—Through a variety of classes and ministries, we strive to assist each other in the process of Christian growth.

**Serving**—We believe that God desires for us to serve Him by serving others, therefore we want to help every believer find a place of meaningful ministry.

*We want to help you find what you are searching for!*

Senior Pastor*

## **We care about you!**

*Our desire as a church is to offer any assistance we can toward your spiritual and personal growth.*

Visiting a church is usually a sign of a search ...

you may be looking for answers to life's questions, wanting to find God, or simply searching for a caring, authentic Christian community.

**The most profound truth you can discover is to know that God truly loves you and has a plan to give you hope and a future!**

## **A Snapshot of Ministry**

### **Celebration Services**

As a church family, we gather together on Sunday mornings to enter into uplifting experiences of worship and teaching.

### **Small Groups**

"How do I connect with others in such a large church?" Small groups are an ideal place to build relationships, to grow spiritually and to experience the friendship of a church community. Serving groups, care groups, discipleship groups and support groups will help you to grow, and make a large church "feel like family".

### **Children's Ministries**

Because children matter to God, they matter to us! At every age level, we teach children the timeless truths of God's Word in a caring and safe environment.
