

A1:8Collective —Jesus gave His disciples the challenge to be His witnesses in Jerusalem, and in all Judea and Samaria and to the ends of the earth. If Jesus gave us that challenge today, He would say “You will be my witnesses in Kelowna and in all of BC and Canada and to the ends of the earth.”

We are launching a mission’s program within The Rising/UTurn youth ministries. Each year there will be some consistent trips and new ones.

To apply for a trip, fill out the application form within this brochure. More details for the trip, such as final schedules, new info and trip events will be given at the missions meetings on the first Sunday of each month.

These trips will be impacting for all who take part. I can say with experience that mission’s trips have a lasting spiritual impact and will change lives including our own.
